Hi Karla, I talked with Mike at the Downtowner's of Distinction event a couple of weeks ago and asked if I could come in and meet with him one on one regarding AB 2618. He said fine and so I'm following up with you to schedule. It's pretty important and so I want to get the process going so we can get it on the calendar as soon as possible. If you could work with Shawn on this that would be great. Thanks very much, and we'll look forward to hearing from you.

Best,

Carol
